

# 2019 College Scholarship Program

**The Rochester Chapter of The Credit Union Association of New York will award a minimum of \$10,000.00 in scholarship funds to outstanding high school seniors that are members of participating Rochester Chapter Credit Unions.**

## **Eligibility**

Each applicant must have an account (titled in the applicant's name) and be a member in good standing of a participating credit union. All applicants must be high school seniors for the 2018/2019 school year, with plans to attend an accredited college or university for the 2019/2020 school year.

## **Selection Process**

The winners will be selected by an independent panel of judges responsible for evaluating and ranking applications received within three separate categories – Academic Performance, Community Involvement (includes sports, volunteer work and activities outside of the standard school curriculum) and an Essay Response.

Applicants with an outstanding record for service to their communities may be chosen for special consideration as recipients of the Sam Gaudino Service Scholarship Award. These winners may not outscore other applicants in the three categories listed above, but will have documented extraordinary contributions within their community – an important characteristic that defines credit unions, their cooperative structure and their roots as volunteer-driven organizations.

## **Application Process**

Please complete the scholarship application in full. Include one (1) additional sheet for your essay response and a copy of your Activities/Extra Curricular/Community Service Resume. Failure to complete the application and include all applicable attachments as instructed will result in disqualification.

Submit the application (don't forget signatures) along with:

- An official copy of the student's SAT and/or ACT scores (do NOT send original)
- An official copy of the student's high school transcript (SAT and/or ACT scores may be included directly on transcript)

Note: If required by the student's school, the transcript can be sent directly to the scholarship administrator (see below). It is the student's responsibility to ensure their high school transcripts have been submitted.
